*****It is very important that all SOPGA Junior Tour Members and parents read and understand the following before participating in any SOPGA Junior Tour events.**

Concept

The Southern Ohio PGA Junior Tour offers a superior junior tour experience. Our goal is to help develop younger golfers as well as provide outstanding competitions on a local level. In addition, this program strives to foster sportsmanship and integrity among its members.

Membership Eligibility Information

Membership is open to all junior amateurs who live in the state of Ohio or attend school in Ohio from the ages of 7-18. If a junior does not live in Ohio, he or she is required to submit proof of active enrollment in an Ohio school. Applications will be open to juniors who have not reached their 19th birthday or started their freshman year of college by midnight on the final day of competition in the 2020 Junior Tour season, July 30, 2020. **(Note: Juniors under the age of 7 years old may become eligible based on an endorsement letter from their local PGA Professional.)**

SOPGA Players Tour

The SOPGA Players Tour is designed to provide premier junior golf tournaments for local youth. The SOPGA Players Tour is for junior golfers looking for a competitive experience. This level features 18 & 36-hole competitive junior golf tournaments at various facilities across Southern Ohio along with a two-day, 36-hole championship. The top 10 Players at each event earn points for the Player of the Year honor and the top 3 players in each division receive awards to be handed out at the season summary banquet.

Ages: 13-18 Events are broken into Boys and Girls Divisions with Age Groups 13-15 and 16-18.

Players who are the age of 13 have the choice to either play on the Futures Tour or the Players Tour. Skill level will depend on the 13 year old to decide whether they want to play on the lower level or the higher level competitions and distances. (Distances are on page 7) Once a junior has decided to play on the Futures Tour they may not switch to the Players Tour. Same goes for juniors starting on the Players Tour they may not switch to the Futures Tour.

SOPGA Futures Tour

The SOPGA Futures Tour is designed to help prepare players for what they will face as they advance to the SOPGA Junior Tour, our next competitive level. This level provides premier junior golf tournaments with a focus on course experience as well as etiquette and the Rules. Both, 9-hole and 18-hole competitions are offered at this level with some events held on short courses. The top 10 Players at each event earn points for the Player of the Year honor (excluding 9-hole divisions) and the top 3 players in each division receive awards at the season summary banquet.

Ages: 7-13 Events are broken into Boys and Girls Divisions with Age Groups 7-9 (9-holes), 10-11 (9 & 18-holes) and 12-13 (9 & 18-holes).

Players must compete in the age division they would be in as of the last day of the 2020 SOPGA Junior Tour Schedule (July 29, 2020).

2020 SOPGA Junior Tour Pace of Play Policy Two-checkpoint System

- Players will not receive warnings.
- To avoid penalty, groups must complete each checkpoint hole:
 1. Under the allotted time, or
 2. Within 12 minutes of the group ahead.
- Checkpoints will be on holes #6, #12 and #18, unless otherwise indicated.

All players in a group in breach of the pace of play policy at any checkpoint are subject to penalty.

PENALTIES

First Breach of Round = 1 stroke penalty to each player in the group.

Second Breach of Round = additional 2 stroke penalty to each player in the group.

NOTIFICATION

An Official will notify any group that completes a checkpoint hole in breach of the pace of play policy. It is the player's responsibility to record and include any penalties assessed on their scorecards. Penalties are to be added to the checkpoint hole where the breach occurred. (#6, #12 or #18)

POSITION

First Group(s) off Either Tee – The first group(s) will be in breach of the pace of play policy if they take more than the allotted time to finish a checkpoint hole until they reach (within 12 minutes) any group ahead. After they reach a group ahead, both conditions must be met to be in breach of the pace of play policy.

Position with Group Ahead – To stay within 12 minutes of the group ahead, players should never have an open hole and they should be in the fairway on par 4's and 5's when the group ahead leaves the green. If your group is out of position for any reason, i.e. lost ball, rulings, IT IS THE RESPONSIBILITY OF THE GROUP TO MAKE UP LOST TIME. Your original time remains your pace of play.

CONCERNED PLAYERS AND APPEALS

A player concerned about slow players in a group should first remind that player of the pace of play policy and encourage them to play more efficiently. The concerned player may, before or after penalties are assessed, request an Official to monitor the group.

Appeals for exceptional situations will be considered only in the scoring area after the completion of the round and prior to the return of a player's scorecard. The appeal board will consist of three persons. At the completion of the round, previous penalties may be rescinded if the overall time goal is met.

DEFINITIONS

Timing –A checkpoint hole is complete when the ball, of the last player in the group, has been removed from the hole.

Allotted Time – The “allotted time” is the maximum time allowed to complete play of the course or the holes between checkpoints. The allotted time is predetermined by the Tournament Committee and may be adjusted between events. Time for ball searches, rulings, and walking or travel time between holes is included in the allotted time. The allotted time will be posted before the start of each round.
