

Candidate for At-Large Director

Alex Brickley, PGA - Head Professional - Kinsale Golf and Fitness Club

Tell us about yourself.

I am a lifelong member of the PGA. Married with three kids. Have lived in Columbus Ohio since 2004. Member of The Refinery Church in Hilliard. I love to play PickleBall almost as much as golf.

Please share any prior service to a Chapter, the Section or PGA of America.

I served all chairs of the Southeast Chapter of the SOPGA the SOPGA

What awards or recognition have you received from a chapter, the Section, PGA of America or from the community?

I have won the Horton Smith and Bill Strausbaugh award from the SPOGA

Why are you running for a position on the Board of Directors?

Mainly my decision to run is to give back to the PGA. Also I would like to help advise or be a part of decisions that impact the section and its members.

What is the biggest challenge our organization/members face and how would you address that as a member of the Board?

My main concern is that, as an organization, we can sustain the growth within the game of golf and make sure to keep the new players from quitting, as well as keep the frequent players from playing less. It's a big task, but I would like to be a part of a team with ideas and a plan to make this happen.
